

We are the proud provider of sports & athletic trainer services for the following school districts:

FREEPORT YELLOW JACKETS

Bill Siegel, ATC

NEW BRIGHTON LIONS

Dan Summers, ATC

Our certified athletic trainers work closely with local school districts and student athletes in the prevention of, and for the initial treatment of, sports related injuries. Our trained therapists can provide the student or adult athlete with a more specialized treatment. We will help you recognize the physical limitations resulting from sports injuries and get you back in the game as soon as possible.

Outpatient rehabilitation provided at these locations:
